This month's fish-a-long:

Saturday, August 17, 2002

Smallmouth bass fishing on the Big K Ranch with the Damsselflies.

This is an opportunity for 3 lucky ladies to fish for smallmouth bass on the Umpqua River with the ladies from the Damsselflies of Eugene. The cost is \$20 for the day, dinner extra. The cost includes a day's fishing on the Umpqua River and use of the Ranch's shower facilities before dinner. The Damsselflies are meeting for breakfast in Elkton. Your \$20 holds a spot. The first 3 ladies that contact me get to go. I need to know as soon as possible if you want to go.

We have hats, denim shirts and T-shirts with our Stonefly logo on them for sale at the meeting.

Hats are \$15.00; denim shirts are \$25.00; T-shirts are \$18.00.

Fly Lines

I was sorry to see that more people didn't come to the fish-a-long in July. Jeff and I had a good time fishing East Lake and Crane Prairie. East Lake had plenty of nice sized trout and many more rather large tui chubs. Jeff caught a very large rainbow (Cranebow) on Crane Prairie on Saturday evening. If you have the patience to find the fish and the flies to catch them, there are some very big fish in Crane Prairie. While we were there, a bass fishing tournament was in progress. We saw some very large bass being weighed for the tournament before they were released back to the lake.

This month's fish-a-long gives us an opportunity to meet some other women flyfishers from another part of the state. I sincerely hope that you will be able to take advantage of this trip.

Another fishing opportunity is being organized by Terry Sanchez. Although this is not a flyfishing trip, it should be a lot of fun—sturgeon fishing on the Columbia. The trip is August 25 with Dwayne from Riverrun Guide Service. The cost is \$130. Contact Terry at 503-356-8212 or texasweaver@attbi.com for more information.

Have a great summer. I hope to see you on the water.
