THE NEWSLETTER OF THE STONEFLY MAIDENS WOMEN'S FLY FISHING CLUB

Volume 8, Issue 6, June 2007

PRESIDENT'S LETTER

Greetings Stoneflies!
Well, we are almost halfway through the year and looking forward to a fun and busy summer! The 5th Annual Free Women's Casting Clinic is June 16 and I hope to see a lot of members there. Remember, this is for club members as well as the general public. It will also mark for me the 4th anniversary of joining the club. We always have a good time at the clinic and also fishing the next day.

Next month we will be having the highly entertaining Michael T. Williams talking to us about Hosmer Lake, a subject he knows well, and then fishing there. This is a great camping opportunity, so please let us know as early as possible if you want to participate. The club has purchased a grill and some members have enough camping gear to help out if you don't have it. Later next month we will have a table for the CFR Team at the Metolius Bamboo Rod Festival in Camp Sherman.

I would really like to hear from members, what would you like to see as meeting programs, and where would you like to go fishing next year? We are always looking for new places! We usually start planning the calendar at the end of the summer, so think about it and drop me a line.

CFR-NORTHERN OREGON

For those of you who did not get the paper, the Oregonian did put our story on the web:

<http://www.oregonlive.com/sports/oregonian/index.ssf?/base/sports/1179113118284460.xml&coll=7>

Sabina, Rebecca, Lisa and Robin attended the Clark-Skamania Flyfishers meeting to accept the \$2,000 grant they gave CFR. Their donation will allow 2 women to attend the retreat, and makes a big difference for our fundraising.

MEMBERSHIP

We now have 43 memberships for 2007. Next week we will send out the member roster by email to all 2007 members. Please take a moment to check your personal information when you receive it. If you have recently moved or changed email or phone numbers, please email the changes to Barb at steelhead50@msn.com. If your name is not on the roster and you have paid your 2007 dues, please let me know also. We hope having access to the member roster will encourage people to make fishing plans with other members throughout the month and not just at fishalongs.

THIS MONTH WITH THE STONEFLY MAIDENS:

June 13 is Conservation Night, we will hear from Bobby Hayden at Save our Wild Salmon, Emily Bartha from the Sierra Club and Tom Wolf from Trout Unlimited. The club itself does not have a conservation committee, but if any members are interested in starting one, we could certainly look at that. In general we have found that the members who have an interest usually belong to another group or groups that address that specifically. We will also be drawing the raffle for the guided trip with Mary Bischoff on the Deschutes.

FISH-A-LONG

SUNDAY SUNDAY SUNDAY JUNE 17TH

This month we will be fishing the day after the Casting Clinic at the Clackamas River. According to the USDA Forest Service "The Clackamas River once supported major runs of coho salmon and steelhead trout. Due to major declines in fish populations fishing is now restricted to trout [only] during the summer months (check local fishing regulations for exact dates [pg 46 ODF&W]), but the majestic scenery of the Clackamas River is still a strong lure for anglers seeking relaxation and natural beauty less than a one hour drive from Portland." J Hope to see you there - JD vicepres@stoneflymaidens.org

FLY OF THE MONTH

No fly to guess but if you study pages 14-15 in your ODF&W 2007 Oregon Sport Fishing Regulations and stop by the meeting you may still be able to win some flies !!
